A JOURNEY TO A RADICALLY MEANINGFUL LIFE

**WHO IS GOD? | EXODUS 34:5-7 | AUGUST 2**  
THE FOUNDATION OF THE LIFE OF FAITH IS A GROWING  
KNOWLEDGE OF THE CHARACTER OF GOD.

The defining moment of the Old Testament was the giving of the Ten Commandments. This didn't happen once, but twice. And on his second trip up the mountain, Moses received not just the stone tablets but a greater revelation of God. If we desire to become more like God, we must seek to know his true character.

**READ EXODUS 34:1-8**

1. Can you remember a time when you were given a second chance by someone you failed? How did it feel?
2. What is Moses seeking from God in this second trip up the mountain (Exodus 33:13,18)?
3. What does this revelation tell us about the essential nature of God (Exodus 34:6-7)? (see 1 John 4:16; Psalm 34:5-6)
4. What does the nature of this revelation suggest about how we come to better know God (Exodus 33:21-23)? (see Psalm 145:3-6)
5. What great deeds has God done in your life in the last few years?
6. In what ways has your vision of God become fuller in the last few years?

***God, show me more of who you are in the Word, in the world, in my life today.***
