Excellent reputation for creating healthy teams, resolving problems and connecting with people from diverse backgrounds.

## MY STORY OF LIFE-CHANGE IN JESUS

“I was raised as a pastor's kid. Despite going to Christian schools my entire life, it wasn't until I graduated college that I decided to surrender control of my life to Jesus Christ.

This process created a sensitivity in me toward people who have genuine questions about God but don't have safe places to explore them.

I want my life and ministry to be characterized by vulnerability and compassion. I want to experience Jesus deeply in my life so that ministry is an overflow of my love for him.”
