**APRIL 3, 2022 / INVEST IN THE FUTURE / LUKE 16:1-12**

***THE PRIMARY PURPOSE OF MONEY IS TO ACQUIRE THINGS FOR OUR USE OR OUR SECURITY IN THE WORLD. OUR MONEY WILL NOT GO WITH US WHEN WE DIE. BUT THE BIBLE TEACHES THAT OUR MONEY CAN HAVE AN ETERNAL IMPACT IF CAREFULLY INVESTED IN THIS LIFE.***

**READ Luke 16:1-12.**

1. Why do you think Jesus talks so much about money (a temporary resource) in the gospels? (see Matthew 6.21,24).
2. What does Jesus say is one of the primary purposes of life in these verses (vs. 10-12)? (see Luke 12.48b; 2 Corinthians 5.10)
3. According to this parable what are the 'true riches' being talked about here (v. 11)? (see 2 Peter 3.8-9)
4. In what ways can you invest your 'worldly wealth' (money, time, service) to help introduce more people to the message of the gospel today (v. 9)? (see 1 Timothy 6.17-19)
5. Are there people whose eternity you are investing in today (time and money) ?
