TALKING FAITH

NOVEMBER 19, 2023

In this final week of the Send Me series, we're talking about having conversations about your faith with the spiritually lost people in our lives. It's one of the most important ways every follower of Jesus can experience their calling. It's how we are sent.

Read & Discuss Colossians 4:2-6.

- How often do you have conversations about the Christian faith with non-believers? Do you find this easy or difficult?
- Why is it important that God go before and lead you in sharing your faith with others (praying for an open door)? (see Acts 16:6-10)
- What does this verse imply about the importance of relationships in having spiritual conversations with others (Colossians 4:6)? (see also 1 Peter 3:15)
- Are there unique places you go or key activities you participate in where you develop meaningful relationships with non-believers? Do you regularly or often have spiritual conversations with friends here?
- Why is personal humility and commitment to sharing God's truth (not our personal points of view) important in our faith conversations (Colossians 4:6)? (see 2 Corinthians 4:1-2, 7)
- Who is God leading you to engage in a spiritual conversation with this week?

Pray Together

God and Father, open a door for a spiritual conversation with someone in my life today.
